Love Field Celebrates New Terminal Opening

On the evening of April 8, over 600 guests joined City of Dallas officials, the Southwest Airlines Board of Directors, local elected officials and many more for a sneak peek of the new terminal before the official opening on April 16.

The evening was extraordinary. The sounds of jazz filled the air as guests, dressed in their cocktail attire, strolled along the main terminal, taking in the magnificent works of art and contemporary structures.

Kicking off a series of celebratory events for the week was the Terminal Opening Celebration. As the soothing sounds of singer Aubree-Anne floated throughout the room, the guests had an opportunity to mingle with one another prior to the official unveiling of the terminal.

The immaculate space boasted its pristine amenities, panoramic floor-to-ceiling windows and breathtaking artwork.

The new space featured a lineup of new restaurants and stores, allowing travelers to have a grand experience while at Dallas Love Field.

The program began with radio-personality Kellie Rasberry, followed by a congratulatory video address from
